Dear Sir:

The attached proposed corrections to FIGS. 35A and 35B are submitted for review and approval in response to the Official Action dated August 7, 2001. The corrections merely space apart FIG. 35A and FIG. 35B to distinctly separate the figures as requested in the Official Action. These corrections do not add new matter and approval is requested.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231, on January 7, 2002.
